We reviewed the upcoming calendar of events: Food Truck Rodeo Season Opener (roster, music, vouchers) and created a roster of NPNA Board Members serving as main representative or alternate of Membership Table for the upcoming Food Truck Rodeos.

#### **Committee Business:**

(A copy of the final report of the Donation Committee is printed on the pages two and three of these minutes.) Alice Kolacinski reported that the majority of the committee recommended that we not amend the current bylaws and that using the By Laws as a litmus test should avoid confusion and fulfil the mission of the NPNA association.

A motion was made to accept the report and not pursue the changing of the bylaws at this time. Alice was instructed to write a note of thanks to participants and disband the committee.

Dan Singer reported on the progress of moving money to Self Help for a contingency fund

**No INC report, enquiry/discussion if requested to be make online to board list serv.**

**Meeting was adjourned.**

**Donation Committee recommendation:**

**Background:**

Issue arose in May, 2015 when NPNA Board received requests for donations to Club Blvd PTA and a GoFundMe page. We were also asked to give monies to citizens who were watering trees.

The Food Truck rodeos musicians are allowed to “pass the hat.” A NPNA Donation Box/ Tree Fund box is located at the Membership Table. Collections and vendors other than Food Trucks were not encouraged/allowed.

Musician donations and any other occasional collections are not processed through treasurer. Tree fund monies and NPNA donations and T-shirt sales are forwarded to the treasurer

Seventeen members of NPNA were requested to serve on this committee. Ten agreed to serve. The predominate response was that membership monies should be spent only for expenses for NPNA.

“Definitely do not get into using NPNA funds for anything but NPNA activities. The listserv can be used to promote charities by members of the neighborhood as has been done (eg. fund raisers for Animal Protection Society or Club Blvd School, etc.), but NPNA should not be a source of funds. If you have a firm rule about it then there is never a question.”

“Seems to me this is a “slippery slope” and no good can come for NPNA from entertaining such requests – beyond those directly related to neighborhood activities, i.e. Halloween block party, luminaries, newsletter.”

“I want my membership money used for the benefit of our neighborhood. If an organization requests our help, I want it to be reviewed to determine if it supports the Northgate Park community or its physical presence.”
