Owner Permission for Property Access

Landfill Name

ID#

Property Owner Name(s)/Corporation Name(s)

Property Address/PIN

City, County, State

I/We own the above referenced property.

I/We hereby grant permission to the State and the State's representatives to access my/our property to conduct an environmental investigation to evaluate potential public health and environmental hazards, resulting from past operations of an old unregulated landfill present on the property and, if necessary, to abate or control hazards posed by wastes and contaminated material by implementing a remedial action plan. The Division of Waste Management (Division) and its contractors are permitted to enter and have continued access to my Property. Examples of remedial investigation and remedial action activities include, but are not limited to the following:

1. Installation of monitoring wells for groundwater and/or landfill gas;
2. Taking soil, groundwater, surface water and/or landfill gas samples as may be necessary;
3. Delineating the waste boundary; and
4. Response actions and installation of remedial action measures (landfill cover system) to mitigate any threats to human health or the environment.

I/We understand that:

- The Division and its contractors shall attempt to perform any activities at the Property in a manner that minimizes interference with use of the Property.
- All monitoring wells will be properly abandoned in accordance with applicable laws and regulations.
- The Division will make reasonable attempts to notify you at least 48 hours prior to entering the Property for any purpose. The Division or its contractors shall have immediate access to the property for situations that the Division determines to be an emergency.

North Carolina Department of Environmental Quality | Division of Waste Management
217 West Jones Street | 1646 Mail Service Center | Raleigh, North Carolina 27699-1646
919.707.8200

I/We understand prior to any abatement activities, the proposed remedy for the site and associated land use restrictions required to make the property safe will be discussed with all property owner representatives.
