  - Board will review this month and discuss results at the next meeting
  - Some preliminary ideas shared in response to feedback was sharing NPNA's "impact" or reach (e.g. number of event attendees; number of volunteers; number of newsletters delivered etc.) with visuals and looking at the "membership cycle" being more logical, such as on the calendar year or tying it to an event (e.g. first food truck rodeo of the year or luminaries)
  - Andreas shared mock up of an engagement map tool to gauge representation that can be used at events like the food truck rodeos
